DESCRIPTION

Reach this active and engaged audience of American citizens who support efforts to reign in out-of-control illegal immigration. These donors support Trump and his promises to strengthen our nation's borders, including the construction of a border wall along the Mexican border. More recently these donors supported the President's tough stance against the Democrats in Congress who refused to pass funding of the Wall resulting in the 36-day government shutdown.

Build the Wall Donors feel that it is time to put American citizens first and, by doing so, create a stronger, safer more prosperous USA. These donors agree that it is through this safeguarding and security America will remain united through the commonality of citizenship -- regardless of race, religion, national orientation, gender or sexual orientation. As proud Americans, Build the Wall Donors respect the fact they are citizens of the greatest country in the World and feel those who live here illegally threaten our country's social cohesion and democracy.
